

TECHNICAL BRUSHES - STEEL WIRE BRUSHES

DURABLE, ULTRALIGHT AND COMFORTABLE TO USE

Our Steel Wire Brushes are made of strong plastic and meet all requirements for strength, toughness and durability. The brushes are ultralight, nice to work with and extremely strong. They are resistant to both heat and chemicals and can be customized or produced by current industry standards and are available in many different colours, lengths and variations.

ERGONOMICS

- A high quality product
- Comfortable and gentle to work with

DURABILITY

- Heavy duty plastic
- 100% recyclable
- Choose between recycle material or FDA/EU

EXTRAS

- Possibility of customizing the brushes with company logo and/or colours
- Combine colours and functions for individual marked demands in plastic and rubber
