

HYGIENE - PADDLE

DURABLE AND COMFORTABLE TO USE

Our Paddle meets all requirements for strength, toughness and durability. The Paddle is ultralight, nice to work with and extremely durable. It is resistant to both heat and chemicals and can be customized or produced by current industry standards and is available in many different colours. The paddle is perfect for mixing food etc. in large pots and vats. The Paddle comes with and without holes - the holes allow the ingredients to pass through the stirrer blade and ease stirring.
