

HYGIENE CLEANING - WASHING BRUSH

DURABLE AND COMFORTABLE TO USE

Our Washing Brushes meet all requirements for strength, toughness and durability. The Washing Brushes are ultralight, nice to work with and extremely durable. They are resistant to both heat and chemicals and can be customized or produced by current industry standards and are available in many different colours. The Washing Brushes come in two lengths - long and short - with and without rubber edges and soft grip.

ERGONOMICS

- A high quality product
- Comfortable and gentle to work with

DURABILITY

- Optional multi colour components to separate cleaning areas
- FDA (CFR 21) and EU (10/2011) approved
- HACCP (Hazard Analysis and Critical Control Points) compliant
- Produced after EU Regulation 2023/2006/EC of Good Manufacturing Practice
- 100% recyclable

EXTRAS

- Possibility of customizing the brushes with company logo and/or colours
