

HYGIENE CLEANING - MOP HANDLE

SUPER HYGIENIC, STRONG AND COMFORTABLE TO USE

Our ergonomic and hygienic Mop Handle meets all requirements for strength, toughness and durability and is resistant to both heat and chemicals. It is ultralight and comfortable to work with. The Mop Handle has three holes at the bottom for attaching a mop head of different sizes.

ERGONOMICS

- Premium quality for professional work
- Unique design with globe on the grip for perfect hand comfort
- Super light handle with wide comfortable grip - not cold sensitive
- Fits perfectly together with our brooms and water flow brush

DURABILITY

- Aluminum (corrosion free)
- No use of Phthalates
- FDA (CFR 21) and EU (10/2011) food approved
- HACCP (Hazard Analysis and Critical Control Points) compliant
- Produced after EU Regulation 2023/2006/EC of Good Manufacturing Practice
- 100% recyclable

EXTRAS

- Possibility of customizing the handle with company logo and/or colours
