

# PROFESSIONAL CLEANING - ULTIMATE HANDLE - WITH OR WITHOUT WATER

SUPER HYGIENIC, STRONG AND COMFORTABLE TO USE

Our unique and patented, ergonomic Ultimate Handle meets all requirements for strength, toughness and durability and is resistant to both heat and chemicals. It is the only handle in the world that is made in only one piece - with no joints or seams in order to avoid collection of dirt and bacteria! It is ultra light and comfortable to work with and extremely durable. The handle is 100% weatherproof and does not rot, rust or crack.

**ERGONOMICS**

- Unique hole in the grip for perfect storage despite water flow
- Super light handle with wide comfortable grip - not cold sensitive
- Fits perfectly together with our brooms and water flow brush

**DURABILITY**

- 63 kg pressure on the middle
- Stronger than aluminum and fiberglass
- 100% recyclable without separation mark 7

**EXTRAS**

- Possibility of customizing the handle with company logo and/or colours
