

OUTDOOR CLEANING - SLEEVES FOR ALUMINUM

DURABLE AND STRONG

Our Sleeves For Aluminum meet all requirements for strength, toughness and durability and are resistant to both heat and chemicals. The Sleeves are light weight and very strong. They are 100% weatherproof and do not rot, rust or crack. Make your own handle - separately delivering of sleeves without alu-tube for own cost efficient assembling.

ERGONOMICS

- Unique design with hole in the grip for perfect storage
- Super light handle with wide comfortable grip - not cold sensitive

DURABILITY

- 100% recyclable
- UV-stabilizer so the colours do not fade

EXTRAS

- Possibility of customizing the handle with company logo and/or colours
