

# OUTDOOR CLEANING - AUTO BRUSH

## DURABLE AND COMFORTABLE TO USE

Our Auto Brushes meet all requirements for strength, toughness and durability. The Auto Brushes are ultralight, nice to work with and extremely durable. They are 100% weatherproof and do not rot, rust or crack. They are also resistant to both heat and chemicals. The Auto Brushes come in two lengths - long and short - with and without rubber edges and soft grip. The rubber gives a better grip and protects the car or other item you want to wash.

### ERGONOMICS

- A high quality product
- Comfortable and gentle to work with

### DURABILITY

- Weatherproof
- 100% recyclable

### EXTRAS

- Possibility of customizing the brushes with company logo and/or colours
- Combine colours in plastic and rubber
